Downloading Software from DreamSpark using Windows OS

DreamSpark is a service provided by the School of LIS in conjunction with the MSDN Academic Alliance. It provides Microsoft software at no cost to our students for educational use.

Software includes Windows 7, Windows 8, Windows 10, Microsoft Project, SQL Server, Expression Studio, Microsoft Visio, and many more.
Approximately one week before a new semester begins, your DreamSpark account will be created and become active for your use as SLIS student. You will receive an e-mail notification like this:

```
Welcome @wayne.edu to your DreamSpark WebStore:
Wayne State University - School of Library and Information Science - DreamSpark Premium

You’ll be excited to know a user account was just created for you at your school’s DreamSpark WebStore. With it, you can download and access a wide range of Microsoft developer tools, servers, and platforms for free!

Microsoft DreamSpark

This message applies to:
Windows 7 Professional with Service Pack 1 32/64-bit (English) - DreamSpark - Download

DreamSpark EULA

This is a subscription agreement ("Agreement") between Microsoft Corporation (so based on where you live, one of its affiliates) and you for the Microsoft DreamSpark Direct student offering ("DreamSpark Direct Subscription"). Please read it. For purposes of this agreement, the term "software" applies to the software provided to you under the DreamSpark Direct Subscription, which includes the media on which you received it, if any.

1. DEFINITION OF YOU OR YOUR. "You," "your" or "student" means a person currently enrolled in and attending courses that lead to academic credit or certification through an accredited educational institution.

2. TERMS FOR DREAMSPARK DIRECT SUBSCRIPTION.
   a. DreamSpark Direct Subscription. Subject to the terms of this agreement, the DreamSpark Direct Subscription provides a subscription to access software. Microsoft may change the software or other offerings that it makes available under the DreamSpark Direct Subscription at any time without prior notice to you.
   
   b. End of Student Status. The DreamSpark Direct Subscription is a special offering for students. Once you no longer qualify for the DreamSpark Direct Subscription (due to graduation or otherwise no longer meeting the definition of "you" above), your DreamSpark Direct Subscription will terminate; however you may continue to use the software you obtained prior to termination of your student status subject to the terms of this agreement.
   
   c. Termination. Microsoft may suspend or terminate your DreamSpark Direct subscription at any time without notice to you for any reason.

Confirm your order and then select **Proceed With Order**
On the Receipt page, select **Download**

Note you will need your **Product Key** for software installation.
First, select **Download SDM**
Open and Run the SDM.EN.msi file
Complete the SDM Installation
Return to the DreamSpark Download page, and select **Download .SDX**
Locate and open the .SDX file, which will prompt a new window in DreamSpark to appear.
Choose either the 32-bit or 64-bit, and select Download

If you are unsure which to choose, refer to this Microsoft Windows support article
When the download is complete, you will have an .iso file (also referred to as a disk image). This file will need to be burned to a blank recordable disc. Insert your disc now.
When the download is complete, select **Launch**
Inside of your Downloads folder, locate and open the software file folder

Next, inside of the software folder, open the .iso file
Upon opening the .iso file, the Windows Disc Image Burner will appear. Select the DVD R Drive (D:) and then select Burn.
Upon completion, you will have a disc containing the downloaded software that may now be installed.
